## SANTA'S FIRST STOP KICKS OFF THE SEASON IN CRANBERRY

With hundreds of families cheering him on, Santa made his first 2014 appearance from the North Pole at Santa's First Stop, held at the Cranberry Township Municipal Center.

Kids watched as Santa lit the Holiday Tree. They visited with Mrs. Claus and also fed Santa's reindeer.

Gorgeous holiday trees decorated by local nonprofit organizations and joyful caroling from the Dutillh Choir made the evening extra jolly. The event also featured a LEGO train display by the Steel City LEGO Users Group.
