Dear Adult Lego User Group,

Thank you so much for participating in our Model Railroad Home Tour at Huber Hall. Your display of Lego buildings and the incline was a huge hit with all ages. Your creativity is truly an inspiration to many. We appreciate your time and effort spent to bring this display to Huber Hall. We truly appreciate the distance you travel and the time spent assembling your display. Your display helped to make our fund raiser for the benefit of the LVRRA and the historic Darlington Station a success.

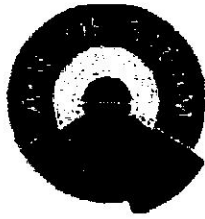

We have included information about a trip we are planning to the Age of Steam museum this summer. Please share it with the members of your group.

Thanks again for your participation!

Sincerely,
