

# Come join us in 2024!

Held in conjunction with the Erie Comicon, Brick Erie will be held September 20-22, 2024. We are looking for vendors, LUGs, and AFOLs to participate in next year's event.

- Brick Erie 2024 will be the event's third year.
- Erie Comicon 2024 will be the event's eighth year.
- In 2023, 50 AFOLs from five LUGs displayed their MOCs and builds (Charm City LUG, Steel City LUG, NEOLUG, BuffaLUG, and SnailLUG).
- The 2023 event had over 4,000 public attendees.
- This is a three-day event (Friday, Saturday, Sunday) held at the Bayfront Convention Center in Erie, PA.
